300

ITEM NO. / COATED GLOVES

Discover exceptional performance and comfort with the Blue & Gray AtlasFit gloves, made from a durable cotton/polyester blend with a rubber-coated palm. These gloves feature an ergonomic design and elasticated wrist cuff, ensuring a secure fit for all-day wear. The rough grip provides maximum control and handling, while the breathable back helps maintain a comfortable temperature. Perfect for a variety of tasks, these gloves are available in sizes S-XL. Trust The Glove Wagon for safety supplies that deliver unwavering protection, crafted with care.

300FG

ITEM NO. / COATED GLOVES

Elevate your safety standards with our Blue & Gray Lightweight SuperDex gloves, featuring a Latex Palm Dipped with Nylon Liner for superior comfort and durability. The ergonomically form-fitting design effectively reduces hand fatigue, ensuring excellent comfort and grip throughout the day. With a knit wrist to prevent debris entry and a washable finish for prolonged use, these gloves are the perfect blend of practicality and reliability. Available in sizes XS-XL, The Glove Wagon delivers safety supplies you can trust, with care. Equip your workforce with confidence and comfort today.

3228D

ITEM NO. / COATED GLOVES

The 3228D Black & Gray SuperDex gloves from The Glove Wagon combine durability and comfort to deliver exceptional performance. Featuring a nylon base with a micro foam nitrile palm, these gloves provide superior grip through a dotted palm design, perfectly suited for demanding work environments. The breathable coating ensures that your hands stay cool and dry, while the 15-gauge liner offers lightweight comfort ideal for extended use. The pre-curved finger design minimizes hand fatigue, and the knit wrist helps keep debris out. Available in sizes S-XL, these gloves are safety supplies you can trust, delivered with care.

330

ITEM NO. / COATED GLOVES

Experience the unparalleled durability and comfort of the Gray & Black AtlasFit gloves at The Glove Wagon. Constructed with a cotton/polyester blend and featuring a rubber-coated palm, these gloves provide exceptional abrasion resistance and extra grip. Their seamless lining and breathable design ensure maximum comfort, while the elasticated knit wrist offers a secure fit. Available in sizes S-XL, these gloves are the perfect choice for demanding tasks. Trust in our products and experience safety supplies delivered with care.

3397HY

ITEM NO. / COATED GLOVES

Introducing the 3397HY Hi-Vis & Black Summer Penguin gloves, crafted with acrylic knit and a latex-coated palm for an excellent grip. The pre-curved finger design minimizes hand fatigue, ensuring comfort during prolonged use. The knit wrist provides a secure fit, making these gloves ideal for various tasks. Available in sizes S-XL, they cater to all your workforce needs. At The Glove Wagon, we deliver safety supplies you can trust, with the care you deserve.

4719

ITEM NO. / COATED GLOVES

Experience unparalleled hand protection with the Blue A-Grip gloves from The Glove Wagon. Crafted with 10-gauge cotton/polyester blend and a durable latex-coated palm, these seamless gloves offer exceptional grip and dexterity with their textured palm and fingers. The elastic knit wrist ensures a snug fit, preventing debris from entering, and providing comfort throughout the day. Available in sizes S-XL, these gloves are perfect for various safety applications. Trust in our commitment to deliver safety supplies with care, and keep your hands protected with the Blue A-Grip gloves.

370B

ITEM NO. / COATED GLOVES

Discover unparalleled protection and comfort with the 370B Black & Gray Atlas Assembly Grip gloves. Crafted from high-quality nylon with a nitrile palm coating, these gloves offer an ergonomic design that fits like a second skin, ensuring optimal dexterity and control. The elasticated wrist cuff provides a secure fit, while the seamless knit construction enhances durability and flexibility. Perfect for various applications, 370B gloves deliver extra grip for precision tasks and are machine washable for easy maintenance. Available in sizes S-XL, these gloves embody The Glove Wagon's commitment to delivering safety supplies you can trust, with care.

F4600

ITEM NO. / COATED GLOVES

Experience superior protection and comfort with the F4600 gloves from The Glove Wagon. These Black & Gray FroGrip gloves feature a Micro-Foam Nitrile Palm Coated with Nylon Shell, ensuring excellent grip and durability. With a 15 Gauge seamless design, they offer high flexibility and tactile sensitivity for various tasks. Available in sizes S-XL, these gloves are perfect for a range of hand sizes, providing reliable safety without compromising dexterity. At The Glove Wagon, we prioritize your safety by delivering top-quality products with care.
